

PRODUCT SPOTLIGHT:

“Anybody who’s ever zip tied radiant floor heating... You’ve gotta try these!”

-Dave Mikels
Graber Insealators

STANDARD SIZES:

1/2", 3/4"

AVAILABLE IN:

50 ct. bags, 250 ct. bags

QUIP™

THE RADIANT TUBING CLIP

The Quip Clip is a handy radiant heating installation tool designed to simplify PEX tubing installation. Designed in multiple sizes and styles, the Quip fits four sizes of tubing and, according to contractors using the product, can cut installation time in half compared to traditional methods such as zip ties.

HELP US REACH 500 FACEBOOK “LIKES”

The Insulation Solutions, Inc. Facebook page is a great way for our customers to stay informed on upcoming events, product news, giveaways, photos and more. We are proud of being just shy of 500 “Likes” on our company page. Do you like us on Facebook? Help us reach our goal! Please like us on Facebook by clicking the “Like” button below:

Trade Shows

Insulation Solutions has been busy this year with January and February trade shows. Below are highlights from our exhibited shows:

IBS

The International Builders’ Show was held January 20th - 22nd in Las Vegas. Among many products, we displayed our Nu-Age Films and R-Wall continuous insulation system at our booth this year. You may have noticed Nu-Age Films in the Product Showcase area at the show as well.

AHR EXPO

The AHR Expo (International Air-Conditioning Exposition) set an all-time record for attendance in Chicago. The expo was held at the McCormick Place, January 26th - 28th. We showcased our Quip Clips and under-slab insulation, Insul-Tarp. We also wanted to send our **congrats to Ben B. of McCauley Mechanical Construction!** He won the Patrick Kane #88 Blackhawks jersey hoodie giveaway that took place at our booth.

UPCOMING EVENTS

We have many events coming up this Spring. We hope you are in the area and get the chance to see us at one of the following:

AKRON/CANTON CSI PRODUCT FEST & EXPO

Akron, Ohio
John S. Knight Convention Center
Tuesday, March 24th, 2015

INTEX EXPO

Long Beach, California
Long Beach Convention Center
Booth #630
Wednesday, April 29th - Thursday, April 30th, 2015

AIA EXPO

Atlanta, Georgia
Georgia World Congress Center
Booth #336
Thursday, May 14th - Saturday, May 16th, 2015

EARN FREE CE CREDITS WITH AEC DAILY

Insulation Solutions, Inc. is currently sponsoring a free continuing education course online, through AEC Daily, that may be accessed 24 hours a day, 7 days a week. Simply review the course, take a short test and you are done. AEC Daily reports CE credits to AIA on your behalf. The course is posted on the continuing education page of AEC Daily's website titled:

“Under-Slab Vapor Retarders/Barriers: Restricting Moisture Infiltration”

You may also access the course directly by clicking [HERE](#).

This course provides an overview of the causes and consequences of moisture problems beneath concrete slabs in flooring applications, as well as a discussion on the types and characteristics of under-slab vapor retarders/barriers.

According to the AEC Daily website, “Distance learning is a useful and convenient method for AEC professionals to gain knowledge and earn continuing education credits. Considered to be a viable alternative to traditional, classroom style education, AEC Daily's Online Learning Center is a practical and affordable way for procuring ongoing, state-of-the-art, and up-to-date continuing education.”

WOC

The World of Concrete was also held in Las Vegas and took place February 3rd - 6th. It was our first time to exhibit two booths in two separate halls. We hope you had the chance to see our ISI booth in the North Hall, or our Viper II booth in the South Hall! Viper II is our under-slab vapor barrier/retarder line that offers premium protection. Staff members were lucky to make it to Vegas after a major snow storm hit our area. We had a total of 19” in Chicago and were one of the last flights to leave O'Hare Airport that day. Sunny Las Vegas was a warm welcome!

IRE

The International Roofing Expo was held February 24th - 26th in New Orleans, Louisiana. ISI staff members, along with attendees at the show, enjoyed a live performance from Kix Brooks. Our product, Nu-Age Films, was showcased in the product showcase area at the show. We hope you had a chance to see our roofing display at our booth and were able to check out all of our premium roofing products and accessories.

Stay tuned for our next Quarterly Newsletter, coming in June!
